HomePage | Recent Changes | Preferences | Receive an article a day!

Welcome to Wikipedia, a collaborative project to produce a complete encyclopedia from scratch. We started in January 2001 and already have over 13,000 articles. We want to make over 100,000, so let's get to work—anyone can edit any page—copyedit, expand an article, write a little, write a lot. See the Wikipedia FAQ for information on how to edit pages and other questions.

Breaking News: 2001 Coalition Attack on Afghanistan
